

PENNSYLVANIA HOSPICE AND PALLIATIVE CARE NETWORK

Promoting Excellence in Palliative and End-of-Life Care

Dear Prospective Sponsor and/or Exhibitor,

Our PHPCN Annual conference brings together both hospice and palliative care providers from across Pennsylvania and surrounding states. This year we are offering our 2020 Annual conference as a Virtual conference – complete with a virtual exhibitor hall.

Please join PHPCN in building new relationships, nurturing existing ones, and exploring new opportunities. This virtual conference provides opportunities to broaden your organization's 2020 visibility, increase your exposure and brainstorm with clinicians and administrators about the future.

This year's theme, *Delivering End of Life Care in Challenging Times* takes on a whole new meaning and will address some of the evolving changes in healthcare, the continuance to provide excellence in end of life care and positioning for the future.

Enclosed please find both the exhibitor registration form and additional information about multiple sponsorships during this year's virtual conference.

We look forward to communicating with you about virtual exhibit and sponsorship opportunities. If you have questions please contact Lonna Donaghue at 717-533-4002 or donaghue@pahospice.org.

Sincerely,

Lonna H. Donaghue, MGA
